Independent
nursing care advice
for the
catchment area
Kreis Soest

¹ Town of

If a relative requires care, families face completely new challenges.

Many questions may arise:

- How can care be arranged and paid for?
- Where is help available for the person in need of care and their relatives?
- Which benefits can I apply for (e.g. from the Pflegeversicherung²)?
- How do I prepare for the visit of the Medizinischer Dienst der Krankenversicherung³ (MDK)?
- How is an appeal worded?

Our aim is to assist you to be able to cope with these new challenges!

We advise you

- promptly
- comprehensively
- independently

and facilitate possible support!

Our service is free of charge!

² Statutory nursing care insurance

³ Medical Service of the statutory health insurance

Our **nursing advice teams** develop potential solutions with you, set up contacts and organise suitable support.

All **questions** concerning

- need for care,
- nursing care insurance,
- range and financing of care

can be clarified.

We also **inform** about

- offers on senior residence / service living
- offers of support in everyday life (e.g. help at home, accompanied shopping, ...)

and how these services can be financed.

Our **comprehensive** advice is focused on enabling a vast improvement of the overall situation for you and your relative.

Together with you, we would like to develop an **individual** care plan for the person in need of care.

Our **mutual** aim is to enable the person in need of care to remain living at home for as long as possible.

How can I get advice?

You can reach our advisers at the listed **addresses** or you are able to arrange a home visit.

Note: The consultation is only possible in German. If required, please provide a trusted person for translation support!
